COMMUNITY SERVICE

The final Adopt a Street for 2018 was October 13. Thank you John Keith and Sam Maggio for volunteering to help. At the October Happy Hour, winter clothes were collected for children who attend Compass for Kids. At the November 15 Happy Hour, SSC will collect canned goods for Grace Food Pantry. Last year you filled my car. Let's do that again! I now drive a semi truck, I know you can do it!

The November Happy Hour will be the final time you can sign up to help at Trivia Night, 2019. Watch for me and my clipboard. You will also be able to sign up for ringing bells for the Salvation Army and volunteer for Minni O'Beirne Children's Holiday Store, which you can also do online. Be sure to add SSC after your

name. More information will be sent via email when it becomes available to me.

Thanks!!

MESSAGE FROM THE PRESIDENT

This is a photo of two of our hard working SSC Board members, Terri Marbold, Finance Director, and Misty Dannenberger, Treasurer. The Finance director handles incoming monies. Our Treasurer handles outgoing checks, etc. And it's never too early to start thinking about becoming an officer of the Springfield Ski Club. Please talk to our nominating committees chairs; Rick Griminger, Executive Vice President (vicepresident@springfieldskiclub.org) and our outgoing President, Cheri Sloat (president@springfieldskiclub.org).

The SSC Board is considering a change to our current name. Some of the names used by other ski clubs throughout the nation are adding "touring," "travel," and "adventure", which would be added to the Springfield Ski and _____ Club. Please give our board your input.

The SSC board is also looking into the cost and work to print 100 two-page newsletters each month. This adds considerably to the work of the Newsletter Editor. We have reviewed the expenses and the board will present a standard rule change to add \$20.00 per year for the ten printed two page newsletters per year. I will be sending an email to those people who are on the list of 100 members. Those who do not have email can opt to receive the newsletters by mail for the added \$20.00 a year.

We have openings left on trips. Snowbird, Utah, is a wonderful option for skiers and is already getting snow. We also have a great trip to Andorra and Barcelona, for skiers and non-skiers, at an amazing price of \$1800, including round trip airfare to Barcelona! Check with Jim Hamrick, VP of Winter Trips, at the Happy Hours. We also have openings for the Crested Butte SKI trips in early February. Please check with Gary Kindred, SKI representative.

We still have a few openings for the France trip in March. We can take up to 50 people and have two openings as of

this writing, (Oct. 17). Contact trip leader David Sloat, dgsloat51@gmail.com, if you are interested.

I am looking for a webmaster to work with our ewebsmart website. We would like a volunteer to help with the web page. Please contact Cheri Sloat, csloat51@gmail.com.

We have many more plans in the works. Please consider getting involved by volunteering for a committee to assist an officer or plan trips. The more input, the better!

See you at Happy Hour!
Cheri Brueggemann Sloat

When it's too warm for dirndls and lederhosen and too wet for a bonfire, you have to be die-hard Oktoberfest fans. We had a sizable crowd whooping it up to Doug Strahan and the Good Neighbors, when the storm came, forcing us all into the garage. The band played on, and the survivors had a blast.

For those who came, we had an amazing "Fest." Mike Royer and Alasdair were frying fish, Mark Brooks and Megan flipping burgers and brats on the grill, while guests

caught up with friends and family, devoured fried walleye, waffle fries and sweet potatoes. All were dancing to incredible music, with a guest appearance on the mic by Wick. We are grateful for the generous contributions by both the Ski Club and Bike Club, who help make it all happen.

Next year's Oktoberfest falls on October 13, the latest possible date. Hopefully the temps will be much cooler. I might call it, "Oktoberfest 40th-b."

Amish Guided Tour and Pumpkin Festival

We started our day at the Rise and Shine Bakery in Arthur. The bread is the best you will ever taste and the donuts melt in your mouth. Special thanks to Tim Fuhrmann for recommending this delicious stop. A must do when visiting Arthur.

Our next adventure was a tour of the Miller Homestead. Mrs. Miller warmly welcomed us into her home and answered all of our questions. I was amazed to see the butane iron and other appliances that ran off of gas. She still uses an old wringer washing machine in her basement. She loves to chat and told me I could stop by anytime for a cup of coffee.

Our tour guide hopped onto the bus and took us through the countryside to see various homes, businesses and schools. The children are only required to go to school until 8th grade. Some of the girls then become the teachers only until they are married. They have no married teachers.

Another interesting fact that I learned was the Bishop of the Amish faith recently decided phones are needed in case of fire or other emergencies. Phones are not allowed in their homes, so they have built phone houses. They look like a small unheated outhouse and must be away from the house. They have answering machines so they will call you back.

Then we were off to the home of the Schrock's for a homemade dinner that was unbelievable! Most of the group said this was their favorite part of the trip. She served us fried chicken, meatballs, mashed potatoes with gravy, noodles, green beans, salad, rolls and pie. Her husband is ill and this helps with their income. She will book groups of more than 4. I have her card and plan on going back there for more meals.

The next stop was Beachy's Amish Grocery Store. This store started forty years ago in a small home and has now expanded into a huge booming business! Local jams, jelly, noodles, produce and Amish made products fill the shelves of the store. You will find a name brand product here and there but most of the things are local.

The Great Pumpkin Patch had thousands of pumpkins, gourds, mums everywhere making this festival a fall must

see. A Blue Grass band playing, squash tasting, a haunted house, games for children made this a perfect recipe for a fun fall day. The only problem we had was the wind, the dust from the harvest did make it a bit uncomfortable. We ended our day visiting the local small shops in downtown Arthur. I had to stop and buy some delicious fudge. Thank you to everyone who joined me for a Fun Fall Day!

STANDING RULE #2

CANCELLATION & REFUND POLICY (11/14/96), (Amended 5/13/99, 4/9/05 and 1/8/15)

“Cutoff” dates and non-refundable deposits for trips and activities may vary according to transportation, lodging or other associated deposits. Cutoff dates for trips and activities will be established for each trip or activity by the Executive Board and published in the monthly newsletter. All cancellations must be made to the Trip Leader in writing or via e-mail. Refunds will be made as follows:

1. For cancellations before the published cutoff date, a full refund of all monies paid will be issued in a timely manner, less any Executive Board-approved cancellation processing fee established and published in conjunction with the trip or activity advertisement in the monthly newsletter.
2. For cancellations after the cutoff date, refunds will be as follows:
 - a. For any trip or activity where the allotted number of spaces are completely reserved and a replacement can be found, a cancellation may be made and a full refund issued, less any processing fees, as described in paragraph 1, above, any time prior to the departure of the trip or the start of the activity, provided the replacement person pays the full amount due, in accordance with the payment schedule for the trip or activity.
 - b. If a replacement cannot be found, the member canceling the trip or activity may submit, in person, in writing, or via email, a request for a refund. This request must be sent to either the trip leader, the appropriate VP or directly to the Executive Board. The request must be submitted within 15 days after the scheduled start date of the trip or activity and shall state the reason for the cancellation and the amount of refund requested. Requests will only be considered by the Executive Board, and refunds will only be made, once the trip or activity is completed and the full financial statement has been submitted for review and approval, as described in Standing Rule #13. Any refund approved by the Executive Board will come from recoverable expenditures derived from the specific trip or activity and not from the Club’s general fund.
 - c. Refunds will be distributed no later than 180 days after the first scheduled day of the trip or activity.

STANDING RULE #5

TRIP MANAGEMENT AND CONDUCT (11/14/96), (Amended 4/9/05 and 1/8/15)

1. All Trip Leaders shall be at least 21 years of age.
2. Trips shall be run as advertised, unless ski conditions, safety or wellbeing of trip participants dictate otherwise, in which case, the decision for an alternate plan rests with the Vice President of Ski Trips, Day Trips, or Tour Trips (as appropriate) or the President prior to departure. After departure, this authority rests with the trip leader.
3. Conduct by any individual which is offensive or hazardous to others or that does not project a good image of the Club could result in expulsion from the trip at the nearest place of public lodging or transportation by the authority of the trip leader. The trip leader will provide a review of the circumstances at the next Executive Board meeting with a board decision to maintain or cancel the individual’s Club membership.
4. Individuals will be held responsible for any damage to personal or real property of others.
5. Club arranged accommodations cannot be shared with non-trip participants.

STANDING RULE #7

GROUND TRANSPORTATION SMOKING POLICY (11/14/96)

1. Smoking will only be allowed during scheduled stops approximately every two hours of travel, if requested. NO smoking inside the travel vehicle is allowed.
2. Trips under two hours in duration will be classified as “non-smoking trips.”

STANDING RULE #8

PARTIAL SKI TRIP PACKAGES (11/14/96) (amended 4/9/05)

1. For trips involving a request to delete air (or other packaged form of transportation) service, only the actual cost of the ticket will be deducted from the trip price. The participant’s portion of the club’s overhead cost, including ground transportation to the airport or rail station used for the trip, will be included in the partial trip price.
2. All requests for partial trip packages will only be honored to the point where the Club may drop reserved seats without penalty from the tour operator and/or the carrier.
3. If a request for a partial trip participation is made and honored, the participant must make payment in the full amount within 5 days of the approval notification. A “partial” trip payment is not refundable unless the trip is canceled. CANCELLATION CUT-OFF DATES DO NOT APPLY. The club will not refund or attempt to “resell” partial trip packages should the participant drop from the trip any time after payment is made.
4. Requests to exclude lift tickets from a trip package must be made at the time of sign up. Requests for partial trip packages, including lift tickets, will only be honored to the point where the Club may drop such tickets, or other items, without penalty or loss of income (including any comp). Unless otherwise approved by the Vice President of Ski Trips, the member requesting “no lifts” will pay the full trip price. After the trip is completed, the unused lift ticket will be returned by the Club to the tour operator or the ski area for possible refund. Any refund will then be made to the member by Club check. Refunds may not be possible if purchase and use of a lift ticket by all trip participants is required for the Club to receive a discounted “group rate.”
