LETTER FROM THE PRESIDENT

The Peru trip has been the trip of a lifetime with some fabulous club friends. Patty Staab and Di Ann Trapp were the Trip Leaders for this trip. Their hard work in coordinating this trip with our contracted vendor and keeping all travelers up to date with travel arrangements is appreciated and very valued by all travelers.

I just want to acknowledge Amy Dodd's creative designs/presentations of the Springfield Ski and Travel Club's monthly newsletter. It is amazing to me to see such unique and colorful ways Amy presents the club's news and activities. Many thanks Amy for your diligent monthly deliveries of the Snowjournaler!

Another thanks to Amy Dodd for being Trip Leader to the Vintage Wine Festival this past month. This was a sold-out trip that was enjoyed by all. I understand Louie Midiri saved the day with the four tents he provided to keep all our festival goers dry. Thanks Louie.

The Peru travelers unfortunately missed the famous 45th annual Oktoberfest hosted by Roger Schnelten, but I understand the party was a remarkably fun event.

I also want to send a thank you to new member, Betsy Calvin for providing a yoga class at Sheedy Shores SSTC get together. What a wonderful gift to provide to SSTC members! Thanks Betsy.

Thanks to Mark Edmiston for leading the SSTC golf outing!

Thanks to Jan Joyce for leading this season's walking and biking weekly outings!

I am so happy to report that both the Germany and Mexico trips have enough travelers for the trips to go. At this writing, the signup has been closed, but if you are interested in going on these trips, please contact the Trip Leaders to put your name on the wait lists.

Joyce Ludwig and the Events committee have put together an amazing Christmas party this year at the Panther Creek Country Club. An unbelievable number of members have signed up for this party and now we find all the seats are taken. If anyone still wants to attend, I urge you to contact Joyce Ludwig and put your name on the wait list. (Anyone signed up and unable to attend, please contact Joyce Ludwig with your cancellation so others can fill their seat.)

Happy Fall everyone.

At your service,

Debi Barr-Holquist

THE SSTC ANNUAL HALLOWEEN PARTY

WAS A SPOOKTACULAR SUCCESS!

Joyce Ludwig, VP Events, and the Events Committee hosted a super fun party at the VFW Hall with great decorations, music, and food. This party continues to be extremely popular with SSTC members and brings in the newest members too.

Margaret Schwartz and Shawn Fox were the winner of the Couple contest as a witch with a prince under her spell, Rich Bergt won best male as the Scarecrow, Linda Osborne won best female as Iris Apfel, and Amy Dodd won the Most Creative costume as a Starbucks Frappuccino!

Many congratulations to the Committee and the winners of the costume contests! Another fabulous party!

ILLINOIS/WISCONSIN HOMECOMING GAME

On a beautiful and windy fall day, 21 members carpooled and caravanned to the University of IL to watch the 2023 Homecoming game against Wisconsin. We enjoyed a tailgate lunch and some games of cornhole before the football game. Because we had fans for both teams, the outcome made some happy and others sad. Going to a college football game and tailgating was a first for some of our group.

Since the game, I've had very positive feedback. So maybe we can go again next year! Thank you to those who drove their cars.

Joyce Metz, Trip Leader

THE 45TH ANNUAL OKTOBERFEST IS A WRAP

AND IT WAS YET ANOTHER GREAT ONE.

Weather is always a huge factor, and this year Mother Nature did not disappoint. A warm, early autumn day in the yard led to a perfectly crisp and chilly evening for the late-night crowd.

Feeding a crowd is a task, and I was thankful once again to have my son-in-law, Andrew, on the grill along with Mike and Michelle toiling over their fish fryers. I'm always asked about attendance, but I stopped counting heads decades ago. Suffice to say we made it most of the way through the many boxes of brats and burgers, and that amazing walleye always disappears before it makes it to the garage. The generous side dishes that arrive, year after year, are a testament to folks' enduring enjoyment of this annual labor of love.

Chuck Costello continues to amaze with his special-recipe Schneltenfest brew, which we always polish off within minutes before diving into the remaining kegs.

We had two acts lined up for this year's 'Fest: Curt Smith provided the perfect atmosphere for food and games, and Antone and Wick, celebrating their 23rd year on-site, seem to be getting better with age. When the temperature dropped later in the evening and I retreated to the garage, I had a front-row seat for their set, which was a memorable performance.

I'm grateful as always for the continued support of friends old and new who walk through the garage every year, and to the financial support from the Springfield Bicycle Club and the Springfield Ski and Travel Club.

Add Sunday, October 13, 2024, to your calendars—the 46th Annual Oktoberfest is on its way!

OUR GREAT PERUVIAN ADVENTURE

On October 5, 22 intrepid travelers set out on a 12-day South American expedition to Peru. Our wonderful guides immersed us into the culture and religions of Peru as we became their familia.

Our adventure began in Lima with a walking tour of the colonial Lima sites including the Cathedral (its first stone was laid by Francisco Pizarro), the palace of the archbishop, and the Presidential Palace. The highlight of the day was our visit to the Larco Herrera Museum and its amazing collection of artifacts from all over Peru dating back 10,000 years. We finished our first day with a wonderful dinner overlooking the beautiful gardens at the museum.

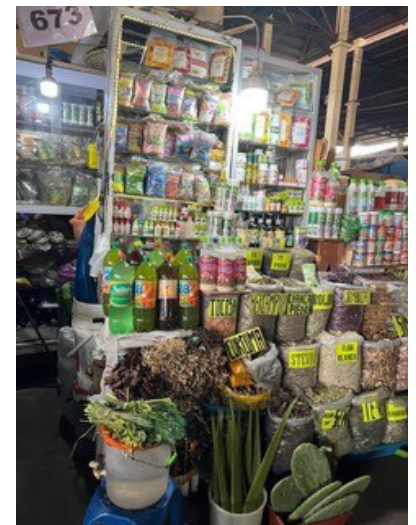

Up bright and early the next day we set off to Cusco, the ancient capital of the Incan Empire. Going from sea level to over 11,200 ft of elevation was quite shock to our flat land bodies! Our walking tour of Cusco was interrupted by a sudden rain & hailstorm followed by a visit to an alpaca store where almost everyone's pockets were a bit lighter when we left.

On the 8th we set off for the most famous part of the trip, Machu Picchu. A bus to Ollantaytambo was followed by the expedition train to Machu Picchu. On the train we were entertained by a costumed Peruvian couple acting out a love story. Then 1 more bus ride took us to the astonishing ancient citadel of Machu Picchu. We divided into 3 groups to explore the ruins and meet the llamas. We all survived the hike! Back to Cusco that evening with many of us headed for a hit of oxygen.

The following day two optional tours were offered.

Our morning Behind the Scenes Cusco Tour included the San Pedro Market, a cooking demonstration, and a wonderful lunch. The most moving part of the morning tour was a ceremony with a shaman who honored us with a blessing from Pachamama after we told him our deepest wishes for the world. The afternoon tour to Saqsaywaman was enjoyed by most of the group; the others indulged in some retail therapy or needed nap time.

Day 6 found us onward and upward to literally 12,500 feet in Puno. It was an all-day bus trek with stops at Andahuaylillas, the Sistine Chapel of the Andes, our tour managers hometown and our first sightings of alpaca and llamas in the wild. Always needing to have a sole for a bano break, elicited the funniest comment of the trip "I got a soul" (while we were in the church). We were extremely happy to get off the bus only to find we had to walk a while to get to the hotel.

In the morning we had a boat excursion on Lake Titicaca and the man-made reed floating Uros Islands. We visited two different islands with some of the group taking a traditional reed boat rowed by indigenous people in their native dress. On the islands we were shown how the islands were built and what life on the island was

Our trip to the markets

Routing for the Peruvian futbol team
in the thermal baths, had a massage or a facial.

The next day found us at the Colca Canyon where Peruvian condors soar against the bright blue sky. Colca Canyon is the second deepest canyon in the world, much deeper than the Grand Canyon. Along with lots of other tour groups, people dressed in condor costumes, and a huge condor sculpture we did see 1 Peruvian condor.

Leaving Colca behind, it was on to colonial Arequipa, the white city and our next to last day of the trip. On the road to Arequipa, we were once

Peruvian Shaman

again at over 16,000 ft at the top of Paso de Patapampa pass where we saw 8 snow-capped volcanos. It is one of the highest paved passes in the Americas. We gathered in a circle giving a blessing to Pachamama. On our walking tour of Arequipa, we visited to the Santa Catalina Monastery, the Cathedral and had a brief visit to the San Camillo Market. As we dined on the outdoor covered balcony overlooking the Plaza des Armas that evening, we were entertained by a lone protestor below.

Some of our surprises were: speed bumps everywhere, traffic congestion, too many early mornings starts, sanitary conditions, and so many of us feeling the altitude changes.

On our final day we flew back to Lima in the morning, some free time in Lima and had a lovely farewell dinner before our 11:45 PM flight back to Miami & real life. What a fabulous trip with great group of travelers!!

UNDERSTANDING VOLUNTEER HOURS

Have you enjoyed SSTC's monthly dining out, day trips, sporting activities, monthly happy hours, or international travel? Have you enjoyed holiday parties, summer picnics at Larry Michaud's, or an Oktoberfest at Roger Schnelten's?

We are an "all-volunteer" club. These opportunities are a possibility for all club members through the generosity of donating time and talent. Countless hours are spent behind the scenes creating international trips, day trips, parties, processing membership information, publishing the directory, creating fliers, writing Snow-journer articles, processing membership information, choosing venues, hosting parties, and leading activities. Most importantly volunteer hours are a way for you to get to know other club members, even if you have a lifetime membership.

Did you know that your volunteer hours can earn you early sign-up privileges at our trip sign-up parties?

Don't miss out. Trips often have limited space. Those members that accumulate 10 volunteer hours will, upon request to the executive vice president at least 14 days prior to the sign-up party, receive this certificate.

When is the next opportunity to use a certificate?

Vice Presidents and Chairpersons are responsible for submitting any hours earned to the executive Vice President. Next sign-up party is September 9th. There are many day trips, sporting activities and an international trip on the horizon. If you checked the volunteer box on the yearly membership application, the Vice President or Chairperson has a list with your name.

Who do I contact to earn volunteer hours?

On your membership application you checked a box indicating your area of interest for volunteering. You may be contacted from this list. In addition, eblasts are sent offering opportunities. My suggestion is don't wait... Be Proactive. Contact a VP or Chairperson and let them know of your willingness to earn those hours. Each committee can always use help.

How far in advance of a trip do I need to earn the hours?

The cut-off for earning, submitting, and requesting a certificate is 14 days prior to the date of the sign-up party. Certificate holders have third priority sign-up privileges after executive board members and trip leaders. A hard copy of the certificate must be handed to the Trip Leader at the time of the sign-up. Securing this certificate also means that trip application requirements, certificate and check may be hand delivered to the Trip Leader prior to the sign-up event.

Note: 10 hours is needed for each trip.

If I have a certificate, am I guaranteed that I will have a spot on the trip?

A certificate does not guarantee a trip is locked in, but it does increase your chances of securing the trip you desire. Everything is based on the number of travelers a contract allows and the tier of applications received by the trip leader; board members, trip leaders, certificate holders, then all other members.

Interested in serving on the Executive Board?

You earn 10 volunteer hours for each year you serve on the executive board, plus you have first tier sign up. If you would like to be considered for an executive board position, contact the Executive Vice President.

We are proud our club stayed the course during the pandemic. Trips and activities are once again sold out.

Adventure awaits.

Mary Schackman, Executive Vice President - SSTC

STANDING RULE #2

CANCELLATION & REFUND POLICY (11/14/96), (Amended 5/13/99, 4/9/05 and 1/8/15)

"Cutoff" dates and non-refundable deposits for trips and activities may vary according to transportation, lodging or other associated deposits. Cutoff dates for trips and activities will be established for each trip or activity by the Executive Board and published in the monthly newsletter. All cancellations must be made to the Trip Leader in writing or via e-mail. Refunds will be made as follows:

1. For cancellations before the published cutoff date, a full refund of all monies paid will be issued in a timely manner, less any Executive Board-approved cancellation processing fee established and published in conjunction with the trip or activity advertisement in the monthly newsletter.
2. For cancellations after the cutoff date, refunds will be as follows:
 - a. For any trip or activity where the allotted number of spaces are completely reserved and a replacement can be found, a cancellation may be made and a full refund issued, less any processing fees, as described in paragraph 1, above, any time prior to the departure of the trip or the start of the activity, provided the replacement person pays the full amount due, in accordance with the payment schedule for the trip or activity.
 - b. If a replacement cannot be found, the member canceling the trip or activity may submit, in person, in writing, or via email, a request for a refund. This request must be sent to either the trip leader, the appropriate VP or directly to the Executive Board. The request must be submitted within 15 days after the scheduled start date of the trip or activity and shall state the reason for the cancellation and the amount of refund requested. Requests will only be considered by the Executive Board, and refunds will only be made, once the trip or activity is completed and the full financial statement has been submitted for review and approval, as described in Standing Rule #13. Any refund approved by the Executive Board will come from recoverable expenditures derived from the specific trip or activity and not from the Club's general fund.
 - c. Refunds will be distributed no later than 180 days after the first scheduled day of the trip or activity.

STANDING RULE #5

TRIP MANAGEMENT AND CONDUCT (11/14/96), (Amended 4/9/05 and 1/8/15)

1. All Trip Leaders shall be at least 21 years of age.
2. Trips shall be run as advertised, unless ski conditions, safety or wellbeing of trip participants dictate otherwise, in which case, the decision for an alternate plan rests with the Vice President of Ski Trips, Day Trips, or Tour Trips (as appropriate) or the President prior to departure. After departure, this authority rests with the trip leader.
3. Conduct by any individual which is offensive or hazardous to others or that does not project a good image of the Club could result in expulsion from the trip at the nearest place of public lodging or transportation by the authority of the trip leader. The trip leader will provide a review of the circumstances at the next Executive Board meeting with a board decision to maintain or cancel the individual's Club membership.
4. Individuals will be held responsible for any damage to personal or real property of others.
5. Club arranged accommodations cannot be shared with non-trip participants.

STANDING RULE #7

GROUND TRANSPORTATION SMOKING POLICY (11/14/96)

1. Smoking will only be allowed during scheduled stops approximately every two hours of travel, if requested. NO smoking inside the travel vehicle is allowed.
2. Trips under two hours in duration will be classified as "non-smoking trips."

STANDING RULE #8

PARTIAL SKI TRIP PACKAGES (11/14/96) (amended 4/9/05)

1. For trips involving a request to delete air (or other packaged form of transportation) service, only the actual cost of the ticket will be deducted from the trip price. The participant's portion of the club's overhead cost, including ground transportation to the airport or rail station used for the trip, will be included in the partial trip price.
 2. All requests for partial trip packages will only be honored to the point where the Club may drop reserved seats without penalty from the tour operator and/or the carrier.
 3. If a request for a partial trip participation is made and honored, the participant must make payment in the full amount within 5 days of the approval notification. A "partial" trip payment is not refundable unless the trip is canceled. CANCELLATION CUT-OFF DATES DO NOT APPLY. The club will not refund or attempt to "resell" partial trip packages should the participant drop from the trip any time after payment is made.
 4. Requests to exclude lift tickets from a trip package must be made at the time of sign up. Requests for partial trip packages, including lift tickets, will only be honored to the point where the Club may drop such tickets, or other items, without penalty or loss of income (including any comp). Unless otherwise approved by the Vice President of Ski Trips, the member requesting "no lifts" will pay the full trip price. After the trip is completed, the unused lift ticket will be returned by the Club to the tour operator or the ski area for possible refund. Any refund will then be made to the member by Club check. Refunds may not be possible if purchase and use of a lift ticket by all trip participants is required for the Club to receive a discounted "group rate."
