MESSAGE FROM THE PRESIDENT

There was an old song that I was thinking of tonight as I lay outside on my recliner, under the pergola, smoking my Padron cigar on a beautiful July night. It is an old Ray Stevens song, and a couple of the verses are as follows:

Everything is beautiful in its own way

Like a starry summer night or a snow covered winter's day

Everybody's beautiful in their own way

Under God's heaven, the world's gonna find a way

There is none so blind as he who will not see

We must not close our minds, we must let our thoughts be free

For every hour that passes by, you know the world gets a little bit older

It's time to realize that beauty lies in the eyes of the beholder

I was thinking to myself, life is good and there is a lot of good in everyone. My father once told me 'Try to make ev-

erybody feel better after you talk to them than they did before you spoke to them'. I always remembered that and tried to live by that thought. I realize that sometimes I go overboard with wacky positive compliments to you all, but in sincerity, I actually mean what I say. When I used to drop my kids off at school in their much younger years, the last thing I would say, everyday, as they hopped out of the car was "Be nice to everyone".

We just came back from a wonderful day trip, PEORIA ADVENTURES. It was a fantastic time, and expertly put on by Carol and Theresa. Thank you for a wonderful job! It was peaceful and relaxing, and helped make my membership in the club even more memorable. It was not being in Peoria, but it was being with a great group of warm, friendly people. That is what I enjoy about the club and the membership. Sign up for a day trip, pool league, overseas trip or ski trip. Happy hours and parties. They are all comforting due to the people there.

Hoping you all enjoy the remainder of the summer, and that your air conditioning keeps on working! Looking forward to seeing you all again soon!

> Rick Griminger President

PEORIA ADVENTURE REPORT

On July 13th thirty-five of our members enjoyed a day of adventure in Peoria. First stop was the Spirit of Peoria river boat cruise. The weather was perfect for a river boat ride, as the breeze off the river was refreshing. We enjoyed beverages and shared stories. There was a narrator telling about historical Peoria events, but Rick Griminger grew up there so he added some fun stories of his own!

Lunch and craft beer was next at Obed and Isaac's, with games of bags, ping pong, and giant jenga (tense match between Kathleen Sorensen and Judi Nesbitt!) afterward in their beautiful large beer garden. The restored church that held the restaurant was an amazing building, although it felt a little weird to be drinking a beer under the beautiful stained glass window!

After Obed's came another craft beer experience at Pour Brothers where you can pour your own with 16 different taps

to choose from. A few of us sneaked in a little boutique shopping a few doors down, and a few of us visited a lovely little wine bar called The Hearth around the corner.

Lastly, some of the more adventurous members tried their luck at the Paradise casino. There were a few big money winners! We had a couple of members that were handicapped by ortho boots, but our bus driver Sonny was super and did his best to make their walks as short as possible. A very fun adventure in Peoria indeed!

Theresa Endris and Carol Johnson, Trip Leaders

PROPOSED STANDING RULE 15 AS PROPOSED AND ACCEPTED BY THE EXECUTIVE BOARD ON 7-15-19

Policy on Trip Deviations

Rationale:

The club already has a policy on trip deviations for ski trips (Standing Rule #8) and I think we need to have one for tour trips as well. Recently, some of our vendors have allowed travelers to deviate from the published trip itinerary.

New Standing Rule:

1) For trips involving a deviation including requests to delete air, only the actual cost of the group air ticket will be deducted from the trip price. The participant's portion of the club's overhead cost, including ground transportation to the airport or rail station used for the trip, as well as any other included trip costs will be included in the partial trip price.

2) A deviation occurs when a traveler makes any changes from the published trip itinerary including but not limited to: change to departure and/or return date, departing or returning to a different airport, adding a stopover in another location, requesting a land only package.

3) All requests for partial trip packages will only be honored to the point where the Club may drop reserved seats and rooms

without penalty from the tour operator and/ or the carrier.

4) If a request for a partial trip participation is made and honored, the adjustment will be made on the last payment. A "partial" trip payment is not refundable unless the trip is canceled. The club will not refund or attempt to "resell" partial trip packages should the participant drop from the trip any time after signup.

5) Any traveler wanting to deviate from the published trip is responsible for making their own arrangements for the deviation. If the deviation follows the same routing it may be possible for the trip vendor to assist with air or lodging. Ex. Go early &/or stay longer at the beginning stop or end stop of the published trip. The trip leader is not responsible for making these arrangements.

6) A deviation means that the traveler will be responsible for getting to the meeting place of the group on their own and on a deviation on the return the traveler needs to make their own arrangements to get to the airport & back to Springfield.

7) Requests for trip deviations must be made no later than 2 weeks after signup.
