

Halloween:

Each year, the Springfield Ski Club hosts a Halloween party for its members. It is generally held the Saturday before Halloween at the Lake Springfield Beach House. Food, drinks, and a live band are offered for the enjoyment of the members. Costumes are not required; however, many members arrive dressed in very unique costumes.

This party is highly anticipated by the members as it is a guaranteed fun time!!!

This year's Halloween party will be held on October 18th at the Lake Springfield Beach House.
